

PRIMARY PRODUCTION COMMITTEE

17 September 2009

Non-commercial Fishing and Environmental Interests Alliance
C/. Trish Rea
PO Box 37-951
Parnell
Auckland 1151

Dear Trish

We appreciate the interest the alliance has in the committee's consideration of fisheries issues, and thank you for sending the alliance's alternative fisheries management strategy, *More fish in the water*, and for the offer to discuss it further with us.

While members were interested in the alternative fisheries proposals outlined in your document, on this occasion the committee does not require alliance members to appear before us.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'Shane Ardern', written in a cursive style.
